# Entry doors

A new front door will turn heads, improve your exterior and make your home stand out. Choose from our Shaker, Design, Prestige, Classic, or even the Altitude collection, a range of 8-foot doors.

# The High Performance door

## Energy efficiency also goes through the front door

The front door can be considered the heart of your home. This is why we have taken the design of this steel door to an unmatched level in terms of energy performance. A door that keeps the cold winter air outside, and the precious warm air inside to make your home comfortable all year round.

Look for this badge in the brochure :

- Improved comfort
- Energy efficiency
- Superior durability
- Increased security
- Unrivaled soundproofing

### Harmonious design

The High Performance door is available in seven models that can be matched with the complete collection of decorative glass in triple glazed format.

### Available models

- Uno NHP, p.29
- Vogue NHP, p.11
- Soho NHP, p.19
- Victoria NHP, p.19

Era

The new Era door is in perfect harmony with this style's many assets: simplicity, asymmetry, and geometry. Era's asymmetrical composition is designed to leave room for a pull bar or a 7" x 64" doorlite.

# Grilles

Grilles are a great way to match your entrance to the rest of the windows on your classic style home. For a modern, contemporary look, consider configurations with fewer dividers, such as our Classic or Country-style grilles. Best of all, our grilles are installed between the glass, making them maintenance-free and eliminating the need for cleaning.
